Copy of Board's letter No. 2015/AC-II (CC)/37/6 dated 16.06.2016 (RBA No.39/2016) addressed to the General Manager (P), All Indian Railways, Production Units, Chairman/ RRBs and others.

Sub: Reorganization of staffing pattern of EDP Centres.

Please refer to Board's letter No. 2002/AC-II/37/8 dated 17.11.2004 on the captioned subject. Para 5 of Board's letter ibid stipulates cadre structure of the reorganised setup along with Pay scales, mode of induction, qualification for direct recruitment and eligibility criteria for promotion etc. subsequently, the qualifications of B. Tech. (Information Technology) and B. Tech. (Computer Science) have also been treated equivalent to the qualifications prescribed in Board's letter ibid for appointment to the post of Junior Engineer(IT), as conveyed vide Board's letter No.2002/AC-II(CC)/37/8 (Vol. I) dated 24.09.2012 and 01.01.2014 respectively.

In this regard, the National Institute of Electronics and Information Technology (NIELIT-Formerly DOEACC) has advised that DOEACC 'B' level course which is of three years duration is treated equivalent to MCA for employment. The matter has been examined in consultation with C & IS, Establishment and Railway Recruitment Board Directorates of this Ministry and it has been decided that instead of DOEACC 'A' level course as prescribed in Board's letter dated 17.11.2014 referred to above, DOEACC 'B' level course of three years duration may be treated as eligibility criterion for direct recruitment to the post of Junior Engineer (IT). Thus, the qualification prescribed for appointment to the post of Junior Engineer (IT) should be read as under:-

"PGDCA/B.SC. (Computer Science)/ BCA/ B. Tech. (Information Technology)/B. Tech. (Computer Science)/DOEACC 'B' level course of three years duration or equivalent from recognised University/Institute through regular or open and Distance Learning mode of education."
