## Observance of World Diabetes Day by Orthopaedic Hospital, Howrah

MI News Service, Kolkata: One in 10 adults worldwide has diabetes, with over 90% of them having type-2 diabetes. The focus of World Diabetes Day 2021-23 is the prevention of Type-2 Diabetes and related complications. The theme for this year's World Diabetes Day is "Access to Diabetes Care," aiming to raise awareness for better prevention, diagnosis, and management.

Under the inspiration of Dr. Debasis Guha, Chief Medical Superintendent/Howrah, Eastern Railway's Orthopaedic Hospital, Howrah, observed World Diabetes Day 2023. Dr. Jaydeep Ghosh, Additional Divisional Medical Officer/Physician/Howrah, presented various aspects of diabetes, emphasizing early diagnosis and treatment to prevent complications such as blindness, kidney failure, heart attack, and stroke. Dr. Asish Kumar Bhattacharya, Additional Chief Medical Superintendent/Dermatology/Howrah, discussed the cutaneous manifestations of diabetes.

Dr. Chaitali Patra, Divisional Medical Officer/Pediatrics/Howrah, addressed diabetes in children, while Dr. Nayan Moni Biswas, Sr. Divisional Medical Officer/Gynecologist/Howrah, focused on the management of diabetes in pregnant women. Dr. Debjani Mukherjee, Additional Chief Medical Superintendent/Ophthalmology/Howrah, spoke about diabetes retinopathy. Dr. Anupa Ghosh, Additional Chief Medical Superintendent/Howrah, provided practical tips for administering insulin injections.

### Empowering Women's Health: Seminar organized at Orthopaedic Hospital/ Howrah

MI News Service, Kolkata:- In a dedicated effort to prioritize women's health, Dr. Anand Kumar Das, Joint Director of Medical Services, Howrah, presided over a seminar on Women's Health Care on Jan 10, 2024 under the guidance of Dr. Debashish Guha, Chief Medical Superintendent, Howrah.

The seminar commenced with a welcome address by Sanjit Majumdar IAS, Staff Nurse, setting a reflective tone for the discussions that followed.

Dr. Anand Kumar Das, Joint Director of Medical Services, & Family Welfare Officer, delivered a brief presentation on the evolving status of women in society across different phases of civilization. Dr. Chaitali Patra, Divisional Medical Officer, addressed the audience on the crucial topic of women's

healthcare at various life stages.

Focusing on orthopaedic issues, Dr. Anand Kumar Das, Shilpa Vaidhyaraj, Epigenetic National Board (P) /PG (Orthopedics), shared light on prevalent concerns such as Osteoporosis and Arthritis.

Ms. Karanji Saha Bhaty, Additional Divisional Medical Officer/Pulmonology, delivered an insightful presentation on the pivotal role women play in society. She highlighted the significance of women's empowerment, especially girls in education and professional development.

The program concluded on a high note with a captivating performance of the song "Jago Nari Vaidhyaraj" by the staff of the Orthopaedic Hospital, Howrah, leaving attendees inspired and informed.

This seminar underscores Orthopaedic Hospital's commitment to promoting women's health and empowering them through knowledge and awareness.
