Sub: Acquiring minimum educational qualification in respect of persons appointed as Trainee in -1S Pay Band in 6th CPC on compassionate grounds - clarification reg.

Please refer to your Works' reference bearing no. PB/Med./2011, dated 05/11/2024 & dated 29/01/2025 on the above cited subject.

The matter has been examined. Trainees recruited/engaged as per instructions circulated under this office serial No. 139/2011 and who have completed 5 years but have not yet acquired the minimum SSC/ITI qualification even after being advised, under clear acknowledgement, to acquire the said qualification within the grace period as stipulated in Board's letter dated 10/03/2022 circulated under this office serial no. 28/2022, would be liable for administrative action as per terms and conditions of their initial appointment on compassionate ground. As regards the issue of Shri Raju Barai, the qualification submitted by him may now be accepted on the ground that no administrative action has been initiated against him for not acquiring the required qualification and the person has been allowed to work as trainee in -1S pay band.

However, action should be taken against the staff responsible for the lapse, under intimation to this office.

This issues with the approval of the competent authority.
