Sub: Declaration regarding fire safety

Sir,

This is to inform that Eastern Railway High School, Sahibganj, established in the year 1878, is a heritage educational institution run by Ministry of Railways, Government of India. The school has a separate entrance and exit. It comprises of only one floor and Fire-extinguishers have been provided. Further, there is adequate open space inside the school premises and the school is accessible to fire tenders through approach roads.

The school has already applied to Jharkhand Government for issuance of fire safety certificate and necessary steps are being taken for the same.
