Sub: Calling of tenders which are within acceptance powers of field DyCEs.

-----  
Ref-This office letter of even no dated 17.07.2008 and dated 17.07.2007

To avoid delays, it has been decided to begin with that all tenders of value upto the acceptance powers of field DyCEs in JAG/SG, should be processed/checked at your end only. Administrative approval of the concerned Chief Engineer should be obtained giving the related details by sending the concerned file, for such works, directly to concerned Chief Engineer/Con (Without involvement of PRD cell).

It is reiterated again that invitation of small value tenders have to be avoided unless there is urgent requirement and proper justification for the same.

This issues with the approval of CAO/Con.
