EASTERN RAILWAY
(CONSTRUCTION DEPARTMENT)

No.CAO/Con/Misc.Instrn/11-12

Dated: 09.03.2012

OFFICE ORDER

Dy.Chief Engineer/Con,
Eastern Railway,
Howrah – I, II, III, IV
Sealdah – I, II, III, JB
Asansol – I, II, III
Jamalpur, Bhagalpur, Malda

Sub: Inspection by EIG for certification of OHE (TRD) installation
on electrified sections.

....X....

It has been observed that during the inspection of EIG, problem in
movement of tower wagon at desired speed has been faced. CEE/E.Rly cum
EIG vide his noted dated 07.03.12 has desired that before EIG inspection: -

- i) The track is fit and complete.
- ii) The track should be suitable for running tower car at a speed
of 80 Kmph to observe smooth gliding of pantograph over
OHE.

It has been further decided that concerned Dy.CE/C shall also
accompany during the inspection of EIG, so that movement is smooth from track
point of view. Concerned Dy.CEE/C will inform the concerned Dy.CE/C at least
two days in advance about the date of inspection by EIG.

Ensure compliance without fail.

(A.K.Harit)
Chief Admn.Officer/Con
