Subj: Modified Assured Career Progression Scheme for
Railway Employees - Clarifications Regarding.

Please refer to Board's letter of serial number dated 10-06-2009 (RBE No. 101/2009) regarding MACP Scheme for Railway employees and subsequent amendments/clarification issued thereon from time to time.

1. References have been received seeking clarification as to whether the past service and promotions earned before medical de-categorization would be reckoned for the purpose of grant of financial upgradation under MACP Scheme.
2. The matter has been examined in consultation with Department of Personnel & Training (DoPT), the nodal department of Government on the subject and it has been decided that in cases where the persons are medically de-categorized and appointed to some other posts in lower pay scale/Grade Pay for which they are suitable in terms of medical conditions, past service may be counted towards MACP Scheme. Even where a person had earned one promotion/ financial upgradation prior to medical de-categorization and is appointed to a lower post, since the transfer is not own volition, there is no objection to counting of the past service including for the period he held a higher service on promotion, for deciding three financial upgradation under MACP Scheme.
3. This is in the concurrence of the Finance Directorate of the Ministry of Railways.

Index No. 060: Past service and promotions earned before medical de-categorization would be reckoned for the purpose of grant of financial upgradation under MACP Scheme if they are appointed to some other posts in lower pay scale/grade pay for which they are suitable.
