Serial Circular No. 143/2012

EASTERN RAILWAY

No. E.890/0/1/R&R/Policy/Pt. XVIII

Kolkata, Dated: 19.12.2012.

ALL CONCERNED.

Sub : Procedure to avoid impersonation at the time
of initial engagement.

It is observed that candidates who are empanelled by the RRBs/RRCs for engagement in Railway Service, report for undergoing pre-appointment formalities with photographs which sometime do not match with the photographs affixed on the application forms submitted by the candidates concerned few years back. The question of genuineness of such candidates thus has become a serious issue.

To eliminate even the minimum chance of impersonation, the matter has been considered threadbare by the competent authority in consultation with the Accounts Deptt. and it has been decided that in such cases where the photographs affixed on the application forms of the empanelled candidates do not match with the present photographs, the LTI of the candidate concerned may be obtained and sent to the Finger Print Inspector of Accounts Deptt. for comparing the same with that of the LTI imprinted in the application forms. If it is certified by the Finger Print Inspectors that the fresh LTI obtained and LTI imprinted on the application form of the candidate concerned are identical with each other, then photographs may be accepted and further pre-appointment formalities may be done.
