Attention of all the Public Sector Undertakings functioning under the aegis of Ministry of Railways, is invited to various instructions, mentioned in the margin, issued from time to time emphasizing the need of obtaining prior approval of competent authority to the extension of term of Non-gazetted Railways' personnel working with them on deputation basis. However, instances have come to the notice of this Ministry where these instructions are not being followed and the staff is persistently being kept unauthorisedly. The proposals for extension/regularizing of period are sent in a routine manner without any regard to the provisions of policy governing overstay while on deputation which has had impact on service career of the employees concerned as he even may be considered to have resigned from service.

2. The matter has been considered by the Board and it has been decided that all should follow the instructions on the subject scrupulously. In no case approval of competent authority may be taken for granted or presumed. Any lapse in this regard will be viewed seriously. In future if cases are received late for the purpose of extension in this Ministry, action taken against the defaulting officials must be indicated in the proposal itself. If there is a case for permanent absorption, it must be finalized well before the expiry of approved term. A mechanism should also be devised to ensure that unauthorized extension of deputation term do not take place in future.

Copy to : The General Managers(P), All Indian Railways & Production Units with advice to ensure that compliance of the above instructions/guidelines by evolving a mechanism for this purpose.
