Sub: Eligibility of Gangmen for selection for promotion from GP Rs.1800/- to GP Rs.1900/- against 33-1/3% departmental promotion quota.

Gangmen (Re-designated as Trackmen) got eligibility to appear for the selection to the post of office clerks against 33-1/3 % promotional quota, earmarked for group 'D' employees vide this office serial no.119/85.

In terms of extant provision as contained in Para 189 of IREM, Vol.-I (Revised edition-1989) First Re-print-2009, 33-1/3.% quota of posts in the lowest grade of office clerks are to be earmarked for promotion of Railway Servants in the categories carrying GP Rs.1800/- for whom no regular avenue of promotion exists.

In terms of Para 181 of IREM, Vol.-I (Revised edition-1989) First Re-print-2009, Gangmen are eligible for promotion to Keymen and Mates. Additionally, they are eligible for transfer to other departments against 10 % of the vacancies with 50 % seniority. So, Gangmen have adequate channel of promotion.

In addition to that, Board's instructions have been received vide RBE No.13/2013, circulated under this office serial no.23/2013 (Copy Enclosed) on the same line. So, it is worth mentioning that serial no.119/85, as mentioned above, has no relevance right now.

Henceforth, Gangmen (Re-designated as Trackmen) will not be eligible to appear in the selection against 33-1/3 % promotional quota for office clerks.

(This disposes of the reference received from sr.DPO/MLDT vide D.O. letter no.EO/Panel/OC/MLDT/Pt.III).
