Sub: Clarification regarding exercise of option for switching over to 7th CPC from the date of promotion falling after the date of notification i.e. 28/07/2016.

On the doubt as to whether while exercising the option to switch over to 7th CPC, such option can be exercised to be effective from the next promotion, Board wish to clarify as under:

"In this context, it is advised that modalities to deal with above are already given in Rule 5 & 6 of RS(RP) Rules, 2016. The Option Form (Rule 6(2)) under proviso to Rule 5 permits the employee to continue in existing pay structure till date of promotion/upgradation. If such an option is exercised within the stipulated time as per Rule 6 of RS(RP) Rules, 2016, the same shall be valid and acceptable. However, in this scenario, the employee will continue in the 6th CPC pay structure till the date of promotion/upgradation and will not be eligible for any arrears and option once exercised shall be final."
