

Apart from Howrah Orthopaedic Hospital, Medical Department, **Howrah Division** also **has 11 (eleven) functional Health Units and 5 Lock – Up Dispensaries** providing primary level Health Care to Railway Beneficiaries spread over the entire Howrah Division.

The Services provided include **OPD Services, Medical Examination** of employees at the major Health Units, **Diagnostic Services through tie-ups** in units at far away locations, **Sanitation of stations and Colonies** etc. A great deal of preventive care is provided through **Family Welfare Services, Immunization, Health Education and Screening for Diseases through Annual Wellness Assurance Check-up (AWAC) Programme for all employees.**

The Health Units are also geared up to meet Disaster situations with **02 ARME Scale I and 05 ARME Scale II** attached to the important health units.
