

ON-LINE TRAINING

Amidst the ongoing pandemic, an online portal with the address www.ersdahmddtinh.com was created to facilitate smooth training of the Technical staff. The portal was created and hosted on Spayee.com where more than 500 trainees were registered and provided with individual login details. The training modules were recorded in the form of short videos by the Supervisors themselves on topics covered from the prescribed syllabus. Each module was followed by a time bound set having of a set of questions to analyze the progress of the trainees. This portal could be accessed online by the trainees from anywhere.

202 Nos. Trainee Technician on line training has been started by this division from 16/10/2020 under Multi Disciplinary Divisional Training Centre/Naihati and completed their training the online portal.
