Sub: Medical examination of candidates - reg.

A reference has been received from one of the Units, seeking clarification on the course of action to be taken in case where the candidate absents or absconds during 1st medical examination.

The matter has been considered. It is stated that no relaxation be given to the candidate who fails to attend the 1st medical examination wilfully. This fact should be recorded by the appropriate Medical Officer. Upon communicating the same, a final notice may be issued to the candidate with clear endorsement to the effect that if he/she fails to report to the appropriate medical officer for the required 1st medical examination within 30 days from the date of receipt of the notice, it will be presumed that he/she is not willing for the proposed appointment and his/her candidature be treated as ineffective. All such Notices should invariably be sent through "Registered Post".

This issues with the approval of competent authority.

(This disposes of Sr.DPO/SDAH's letter no. E/SC/Land Losers/2018-19, dated 03/01/2023)
