No.W(4)416/5/22/1/1/Pt.I

Kolkata, the 11th July, 08

Chief Administrative Officer/Con,
Eastern Railway,
New Koilaghat,
Kolkata

Sub: Joint Procedure Order for taking over/handing over of Construction assets created by Construction Organisation.

Ref: This office letter No.W(1)31/2/07/VoI.IV dated 17.01.07.

Vide above quoted reference a Joint Procedure Order duly signed by PCE/E.Rly. and CAO/Con/E.Rly. for taking over/handing over of Construction assets was circulated to all concerned (copy enclosed).

A | Vide Item 4 of the above JPO, Construction Organisation is required to process for creation of maintenance posts in various categories for new assets and the proposal duly vetted by their Associate Finance shall be handed over to Open Line at least six months before commissioning.

A number of doubling works have been completed and commissioned in the post but no details have been received from Construction Organisation regarding creation of posts.

The extract of item 4 of the above JPO is reproduced below for ready reference :

25/W
Pl. file
H
"The Construction Deptt. will prepare the details of work load in respect of maintenance of new assets e.g. Route Km., Track Km., ETKM, ITKM, waterway, plinth area etc. and get them vetted from their Associate Finance. These duly vetted figures will be submitted to PCE by CAO/Con one year before opening the section. At the same time, Construction Deptt. will process for creation of maintenance posts in various categories for new assets and the proposal, duly vetted by their associate finance, shall be handed over to Open Line at least six months before the commissioning. Subsequently, based on this, Open Line will process the creation of posts and get these sanctioned."

184/C
You are kindly requested to please issue necessary Instructions for creation of posts for all the project which are likely to be opened within next one year. Details duly vetted by Finance for creation of posts for projects already commissioned may also please be sent.

Enclo: As above
