No. 2003/Safety(DM)/8/3

New Delhi Dated; 13.6.2008

Sub: National Disaster Response Force (NDRF)

Ministry of Home Affairs, Government of India has formed National Disaster Response Force (NDRF) at the eight selected locations in the country for dealing with relief and rescue operations related to all types of disasters.

As per Disaster Management Act 2005, various Ministries and departments under Government of India, should join hands for mutual assistance in case of a disaster. Assistance from local Government and non-government agencies is invariably required by the Railway Administration for prompt relief and rescue operation in case of disasters affecting railways. Assistance of NDRF could be of great help to the Railways in major railway disasters.

Details of 8 NDRF battalions are as under:

Name/Desig. Of the Commandant(Sri)	NDRF Battalions	STD code	Office Tele phone	Telefax	Address

Zonal Railways should get in touch with NDRF officers at the nearby NDRF to have the first hand knowledge of the resources available with them and also familiarize NDRF task force with railway related disaster situations and expose them to the issues relevant to rescue and relief of passengers during railway accidents. Railways may also associate NDRF in the full-scale exercise that is held once every year. Zonal railways nearest to the respective NDRF battalion locations may coordinate with them accordingly.

There are no charges for availing the services of NDRF except the rail transportation which railways may provide at their cost for attending to rail accidents. Railways may also have to provide the rail transportation logistics for transporting NDRF in case of non- railway exigencies.

Board have also empowered Divisional Railway Managers to directly requisition the relevant NDRF battalion for relief and rescue operations depending upon the gravity of situation so that their services could be made available expeditiously at the time of major railway disasters without any loss of time. However, requisitioning of NDRF should be judicious and NDM control room under Ministry of Home Affairs (Tele No. 011-23092885 Fax No. 011-23093750) and Security control room (Tele No. 011- 23387981 FAX No. 011-23303983) and Safety cell (Tele-Fax No. 011-23382638) in the office of Railway Board must be kept informed.

This is issued in consultation with National Disaster Management Authority (NDMA) having the administrative control of NDRF.

Action taken in this regard may be advised for the information of the Board.
