Sub: Retention of Railway quarter In case of absorption following deputation in Railway PSUs.

The question of house retention in case of absorption in Railway PSUs has been considered by the full Board in its last meeting held on 13.01.2014. It has been decided as under:

"Retention permission was granted to the officers as an incentive for the officers to volunteer to go to some PSUs. It has been, however, observed that the officers continue to occupy the Railway houses even after getting absorbed in the PSUs. Henceforth, the officers allowed to retain the houses on deputation shall have to vacate the Railway accommodation as soon as they are absorbed".
