No. E (NG) II/2018/RR-1/40Pt.

New Delhi, dated 28.02.2019

The General Manager (P),
All Zonal Railways.

Sub: Revised medical classification for the combined categories in Ticket Checking (TC), Commercial Clerk (CC) and Enquiry-cum-Reservation Clerk (ERCC) and for Commercial Apprentices henceforth.

Ref: Railway Board's letter No. E (NG)I-2016/PM1/12(pt) dated 22.02.2018 issued under RBE No.28/2018.

Presently, the medical classification for the Ticket Checking category is B-2 and that for the Commercial Clerk (CC) and Enquiry-cum-Reservation Clerk (ERCC) categories is C-1. The merger of Commercial and Ticketing staff into unified categories for Direct Recruitment and placement of RRB indents has, however, necessitated determination of a common medical classification for the unified category of Commercial and Ticketing staff. As B-2 is the higher medical classification as compared to C-1, the medical classification of the unified category will therefore be B-2, as will be the medical classification of Commercial Apprentice henceforth.

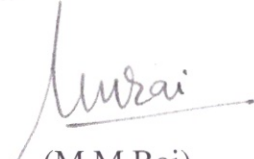

2. This revised medical classification for the combined categories in Commercial Department henceforth for Direct Recruitment may please be noted for information. Formal instructions/ amendments to Indian Railway Medical Manual to this effect shall soon be issued by Health Directorate of Railway Board separately.

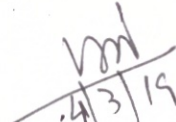

3. It may be noted that the revision of medical classification above does not affect/impact existing employees of the Commercial Department.

Please acknowledge receipt.
