PC/V2/Pt.I, dated 09/03/2026

During preventive checks conducted by Railway Board Vigilance, it is found that weekly rest is being allowed after availing of LAP by Field supervisors, citing the provision of MC-15 (Master Circular on Casual Leave), which was downloaded from unofficial website. On a reference, it is confirmed by the Nodal directorate i.e. E(P&A), that there is no such provision exist in the original MC-15. Accordingly, it has been advised to sensitize all officials to follow the instructions available in official website under the Ministry of Railways (Railway Board) and not to give credence on the instructions/guidelines available in the unofficial websites.

The aforesaid advice of the vigilance may please be brought to the knowledge of all concerned for strict compliance.
