RECEPTION OF TRAIN ON A NON SIGNALLED LINE

RECEPTION OF TRAIN ON A NON SIGNALLED LINE

If a train is to be received on a Non-Signalled line then the SM will do as follows :

- *The train will be brought to stand at the foot of the First Stop Signal.*
- *The Line on which it is intended to receive the train is clear upto the outermost trailing point or upto the place at which the train is required to come to stand.*
- *Ensure that all the points over which the train has to pass are correctly set and facing points are properly locked.*

RECEPTION OF TRAIN ON A NON SIGNALLED LINE

- *The driver will be issued T/409 authorising him to pass the approach stop signal at 'ON' position duly delivered by a competent railway employee who shall pilot the train on to the non-signalled line.*
- *The driver shall keep his train well under control to stop short of any obstruction.*

NOTE: -

If a train arrives without proper authority to proceed, the same procedure will apply for its reception.
