

No. 2020/V-1/CVC/5/1

18 SEP 2020

My dear General Manager,

Corruption impacts the very foundation of our economic progress and it becomes imperative for us to be committed to root it out by introducing various preventive and punitive measures including technological based initiatives in all aspects of our working. Further, there is a pressing need for all of us to maintain probity in public life, adhere to ethics and give utmost importance to maintain value based system. I have no doubt that all Railwaymen would ensure the same in areas under their control.

2. Central Vigilance Commission(CVC) has decided that Vigilance Awareness Week for the year should be observed from 27<sup>th</sup> October to 2<sup>nd</sup> November, 2020. The Theme of the Vigilance Awareness Week is "सतर्क भारत, समृद्ध भारत -**Satark Bharat, Samridh Bharat (Vigilant India, Prosperous India)**". The CVC's Circular No. 09/09/2020 dated 08.09.2020 is available on CVC's website.

3. As desired by the Commission, you may formulate an action plan for observance of the Vigilance Awareness Week that would ensure the objective of promoting integrity, transparency and accountability in our working. I expect that the programmes undertaken and initiatives launched during the week would lead to perceptible progress on the stated theme in the year ahead.

4. A report on the observance of the Vigilance Awareness Week should be sent to PED(Vigilance), Railway Board by 15.11.2020.

With best wishes,

Yours sincerely,

  
(Vinod Kumar Yadav)
