Sub : AMC of Fare Display Units (FDU) in front of PRS and UTS counters.

Ref : GM/Vigilance's office letter No. G.157/2016/06/02306/P/V5/N/HQ Dt 10 -07-2019 (Photocopy enclosed)

This is to inform you that the AMC of Fare Display units installed in front of PRS & UTS counters under your jurisdiction have been expired . No further AMC have been executed as the OEM, has expressed his inability to do further AMC due its very old age, unavailability of electronic components required for repair/replacement and as the codal life has expired. In such situation, it is to intimate that this unit is not going to execute further AMC or repair for any such FDUs installed and functioning at PRS/UTS counters. Also, any FDU if becomes defective or non functional the same may be released and sent back to the stores of SSE/T/PRS/NKG.

Commercial department have already installed FDU in PPP model at some PRS/UTS counters. Fare Display Units if at all required to be continued at the counters for passengers , the same may be procured and further AMC etc. may be made from your end .

The above referred vigilance letter may be followed strictly.
